

Linking Up in 2005

HBAC's 12th annual golf tournament, held August 16, 2005, brought together members, colleagues and friends for a fun-filled summer day. The proceeds from the tournament helped us raise money for *la Fondation québécoise du cancer*. This Montreal-based group provides information to the public and those affected by cancer, as well as personalized support, including treatment accompaniment and lodging in one of their "hôtelleries" for cancer patients as they go through treatment in a hospital centre.

Community involvement plays an important role at HBAC. From our very first year, we have been committed to supporting groups that benefit women and children. We have proudly supported organizations like the Cedars

Breast Clinic of the McGill University Health Centre, located at the Royal Victoria Hospital, the Montreal Children's Hospital, the Montreal Breast Cancer Foundation, the Ste-Justine Hospital Foundation, the Shriner's Hospital for Crippled Children, *Les enfants de Béthanie*, Camp Carowanis and Alzheimer Groupe Inc.

There are many more wonderful reasons to join us. If you are a woman working in the health-care industry, HBAC is for you. You'll hear speakers on a variety of topics that are pertinent to women in the health-care industry and, even more importantly, you'll have a chance to network and make new friends and professional contacts. Call us to find out how you can become a member! **CPM**
