

Health, Happiness and Prosperity for the New Year

“Organize is what you do before you do something, so that when you do it, it’s not all mixed up.” - Winnie the Pooh.

And “organize” is what we’re busy doing here for you at HBAC. Our board members are working hard to bring you an exciting line up of speakers in 2007. Join us for events that are guaranteed to enlighten, engage and energize you in the coming year.

We are building on the hopes for peace, health and harmony from our December 2006 meeting. Tracey MacKenzie, a Feng Shui expert, revealed ancient secrets on how the proper distribution of energy can increase your health, your prosperity, your career prospects and even your love life.

Our second Annual General Meeting gathered members together and was followed by a festive dinner. We also celebrated the season by contributing gifts, along with a generous \$1,500 donation to residents of Logifem, a women’s shelter.

We ended the year by saying good-bye to two of our board members, Genevieve Grenier and Debra Makuch, who resigned from their positions because of other commitments. Genevieve and Debra, thank you for your generosity, hard work and caring. We will miss you and we appreciate everything you did for HBAC. We also welcome Sandra Shaw back to our Board of Directors.

Join us for cutting-edge information at our next meetings:

- April 5, 2007: Henry Anderson, E-business Manager at Novartis
- June 7, 2007: Janice E. Parente, PhD, President and Managing Director, Ethica Clinical Research Inc. **CPM**

We’re easy to reach!
