

Speaker Guy Pagé with HBAC Board Member Lynda Goldman.

What Did You Want to Do When You Grew Up?

Tinker, tailor, soldier... product manager? On December 6th, 2007, Guy Pagé, President of Arimax, led a lively discussion about career paths in the changing healthcare industry.

Guy Pagé, whose company offers recruiting, training, coaching and consulting services, brought the perspective of 20 years of experience in this industry. He helped HBAC members define their own skills, as well as guide us towards new solutions and opportunities in the future.

Our second Annual General Meeting gathered members together and was followed by a festive dinner. Members also celebrated the season by contributing gifts to residents of Logifem, a women's shelter, along with a generous \$2,000 donation.
