

HBAC: Winter Gala

We thank everyone who participated in the HBAC Winter Gala. The event was most festive and inspirational. We raised funds for Logifem, a non-profit women's shelter in downtown Montreal, through a raffle and silent auction. Heidi Foss, heralded as "fantastically intelligent" by the Globe and Mail and nominated for a Canadian Comedy Award as Best Female Stand-up in Canada, was thoroughly entertaining.

We extend a special thank you to the event organizers:

Karine Kosnakian of Merck Frosst, as well as Pina Mula and Angela Perrazzino of Pfizer Canada.

We also thank our sponsors:

Music/DJ:
