HBAC Surpasses \$100,000 in Donations

Valerie Stoczek, HBAC President (left), and Maryse Massé, HBAC Treasurer (right), present a \$16,000 cheque to Les enfants de Béthanie representative Sandrine.

The Healthcare Businesswoman's Association of Canada (HBAC) is an organization for women working in pharmaceutical companies, research houses, health-care publishing firms, translation services and other health-care related businesses. HBAC's mandate is to hold meetings that focus on professional development and personal growth, as well as provide opportunities for community service. Our annual fundraising Golf Tournament has benefitted organizations, such as The Montreal Children's Hospital, L'Hôpital Ste-Justine, and the MUHC Cedars Breast Clinic, to name just a few. With this year's contribution to Les enfants de Béthanie, HBAC has surpassed the \$100,000 mark in donations made since 1994.

For more information on HBAC, please contact Valerie Stoczek at (514) 453-7170 or e-mail her at vstoczek@netrover.com. [CPM](#)
