

—Golf Extravaganza—

It was a day of record-breaking highs in terms of both temperature and turn-out for the 9th annual HBAC Golf Tournament! Over 100 people came out for a day of golfing, good food, and a chance to win one of the many raffle and door prizes donated from generous sponsors. The proceeds from this year's tournament were also record-breaking, and the money raised will go to Les enfants de Béthanie, a local organization dedicated to helping families with HIV/AIDS.
