- All-Time High for HBAC -

HBAC's 2002 Membership Drive has been a tremendous success. The number of members this year is at a record high, and the level of interest continues to grow. One advantage of being a member is our annual Directory, which will be coming out shortly. Thank you to everyone who has supported HBAC by becoming a member this year.

The last meeting of our regular season was held on May 30, which means that our next big event is the annual Golf Tournament. The "social event of the year" will take place on Wednesday, August 14, with auctioneer-for-the-day Sandra Shaw from Global Chapter, back by popular demand. This year's proceeds will go to "Les Enfants de Béthanie," a local organization dedicated to helping women and children affected by AIDS. Contact any member of the HBAC Executive for an invitation.
