

This quiz assesses your understanding of the articles in this issue. Participation is open to physicians who practise in Canada. Physicians who complete the quiz will receive a statement from the University of Calgary, Office of Continuing Medical Education, indicating their participation, score and the correct answer to each question.

Each quiz may be submitted only once within six months of publication. Correct answers will be

published six months after the quiz appears.

You will receive your score and CME statement immediately if you answer the quiz online at either [www.cme.ucalgary.ca](http://www.cme.ucalgary.ca) or [www.stacommunications.com](http://www.stacommunications.com).

A question may have more than one correct answer. Please use a ballpoint pen to mark the correct answers on the quiz reply form. You can complete the quiz online or mark all the correct answers on the quiz reply form.

Select the best answer(s) for each of the following:
