The 10th Annual HBAC Golf Tournament will be held at Club de Golf Atlantide, Nôtre Dame de l'Île Perrot, in support of Camp Carowanis, a Quebec camp for children with diabetes. Book your spot for Tuesday, Aug. 19, 2003 and attend this highly popular annual fundraiser which, over its 10-year history, has raised over \$100,000 for needy causes.

"This year, HBAC has set a 10-year membership record," said president, Valerie Stoeck. She attributes this heightened appreciation to the networking opportunities afforded by HBAC events, the broad outlook on business activities within the health-care industry, and the association's focus on giving back to the community by means of charitable donations.

Fostering professional growth and development is an important aspect of HBAC activities. This year, the organization boasted an excellent slate of speakers. At the April meeting, HBAC member Lynda Goldman, author and broadcaster, conducted a practical, interactive session on networking and important business skills. The presentation was based on her book, "How to Make a Million-Dollar First Impression."

HBAC is a dynamic meeting place for women from all areas of pharma-related business. As a bonus to the great camaraderie and stimulating discussions it can provide, all HBAC members also receive a personal copy of the indispensable annual directory, published every spring.
